To The Timetable Whiz Team

As we prepare for the timetable season, please find the annual timetable announcements and the annual subscription / service contract with invoice.

## Online Portal

The online timetable is going well and is used for viewing and planning of the timetable. The windows program is still the primary tool and is used for building.

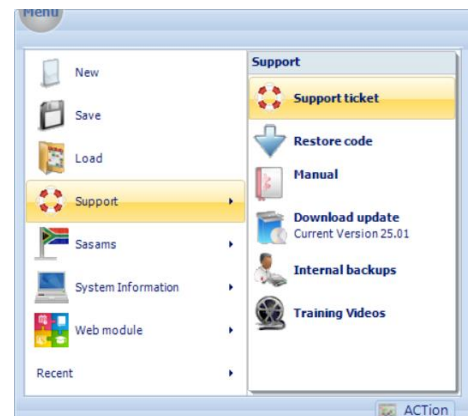

## Support Ticket

To help the school track their email support, we are moving to a online support ticket system. (Menu)->Support->Support Ticket

Let's have a great timetable season.

Best Regards  
Jaco van Niekerk
